'1996 INFORMATION RE 1017 CATHERINE STREET HAMILTON MADGE + families

Re 1017 and 1021 Catherine Street

(Information provided by **Kelso Reed** to Barbara Chase & Terry Keough)
August 1996

1. An article on 1017 Catherine Street appeared in the *Times-Colonist* on July 6, 1996, part of a series of articles on interesting houses in the Victoria region.
2. We were subsequently contacted about the article by **Kelso Reed**, who lives at 1271 Faithful Street. She is the **grand-daughter** of **Louise** and **Richard Jellicoe ("RJ") Hamilton,** who built 1017 Catherine Street while they lived in 1021 Catherine Street.
3. The Hamiltons had two children, **Eric** (b. Dec. 5, 1895) and **Frances** (b. June 5, 1900). Kelso Reed is the daughter of Eric, who died at some point in the 1930s.
4. The Hamiltons began building 1017 Catherine Street in 1913 and moved into the house in 1914. After the move, 1021 remained in the family. **May**, the sister of R.J. Hamilton, lived in 1021 with her husband, **J.T. Barnes**. They had two sons. (The families remained in the houses for a long time. The Survey we have of 1021, dated 15 May, 1953 [copy attached], is signed by Louise Hamilton and J.T. Barnes.)
5. **Frances** was still alive and *compos mentis* (at 96) in Port Angeles, Wash., in the summer of 1996. Kelso Reed took her the *Times-Colonist* article, which she refused to give back to her. She told her niece that she remembered moving into 1021 in 1914. She also remembered that the house had been built by **Mr. Bale**. [According to *This Old House*, David H. Bale was an "Architect, Builder and Contractor" who used his house, "Argos," at 1402 Stadacona Avenue to advertise his business. See also, 3571 Calumet (1919), 2895 Colquitz (1911), 566 Gorge Road West (1920), and 702 Gorge Road West (1903). There are also others not positively yet identified as Bale houses.]
6. **Kelso Reed** is one of five [?] sisters. The **Eric Hamilton** family lived in a house (still standing) on the Gorge, on Gorge Road just west of Tillicum Street, across from what is now Kinsman's Park. As youngsters they used to walk to "gramma's" on Catherine Street through the grounds of Burleith. Kelso has a son.
7. Kelso pointed out that the front door of 1021 has been changed. It originally faced the street, so that one could see through the house to the kitchen from the front porch.
8. We asked Kelso if she had any old photographs, when we gave her some of our own modern ones to take to her aunt. She said she would see what she could find, but in spite of some tentative contacts on our part, she has not come up with anything.
