Dear Mr. Sudhues:

At the 1990 heritage awards ceremony sponsored by the Hallmark Society, Council was pleased to have the opportunity of presenting a heritage plaque to the owners of a recently designated building at 1701 Beach Drive.

There are five other buildings in Oak Bay which are designated under the Heritage Conservation Act, and Council would be grateful if it could be permitted to confer a similar recognition upon the owners of those homes at your 1991 ceremony. Our Heritage Advisory Committee will undertake to provide slides and any necessary background material.

Yours truly,

WE Cochrane
