

2551 Beach Drive

The Percy and Lizette Hillis Home

Built c. 1910

Architect: Unknown

This home, like 2391 Beach Drive , is on four lots, and the large garden contributes to the park-like atmosphere of Willows Beach. An exact building date is difficult to pin down as Mr. P. D. Hillis of P. D. H. Logging Co. Ltd. is listed as living at his home on Willows beach in 1909. However, there were no assessments on improvements until 1911. Alterations have included installation of aluminum windows.
