Plan submitted, Numbered (.....)

Owner Mrs. Norah Pengelly Address 111 Clarence St

Pipe layer..... Address.....

Plumber Hayward & Hods Address Fort St

Purpose of Premises Dwelling

Application is hereby made to the City Engineer of the said City for permission to construct drains on the above mentioned premises in accordance with the accompanying plans and these particulars, and to connect the said drains with the public service water drain instreet. The undersigned hereby agreeing to cause the work to be done in accordance with the standard specification provided for in By-law No. 341, the material to be furnished in accordance therewith, with such modifications as may be required by the City Engineer; and further, that all work herein contemplated will be executed in a workmanlike manner.

The undersigned also agrees that as soon as ...he receives notice that a main or common sewer is constructed in the street opposite the premises herein proposed to be drained ...he will, at his own expense, cause all the sewers on said premises to be connected with the said main or common sewer.

No modification of the plan and these particulars, or of the work described therein, will be made unless the same is previously allowed by the City Engineer, and all work pertaining to the proper drainage of the buildings and premises which is not covered by the plan and these particulars, but is found necessary during the progress of the work in order to carry into effect the true intent of the City By-Laws, and standard specification, shall be executed in accordance with the directions of the said City Engineer aforesaid.

NOTE.—Earthenware sewers are shown on the plan in red lines, and metal pipes in blue lines.
