Dear Mayor Young and Council Members:

Recently we submitted to you a brief listing heritage buildings which we recommend be considered for designation. One of the buildings listed in the brief is 634 Admirals Road.

We would like to draw your attention to the enclosed advertisement for the sale of this building with its implication of land assembly for development and consequent loss of this building. We urge you to take the necessary steps to prevent the destruction of this important heritage building.

Yours truly,

D. E. Reksten,  
Corresponding Secretary.
