Plumber Geo. Watson Address J. J. Johnson St.
Purpose of Building Dwelling
How many Buildings one

Pursuant to the provision of By-law No. 242, of the City of Victoria, application is hereby
made to the City Engineer of the said City for permission to construct sewers on the above
~~mentioned premises in accordance with the accompanying plans and these particulars, and to~~
connect the said sewers with the public sewer in Phoenix Place street. The under-
signed hereby agreeing to cause the work to be done in accordance with the aforesaid By-law,
and the standard specification provided for in said By-law, the material to be furnished in
accordance therewith, with such modifications as may be required by the City Engineer, and
further, that all work herein contemplated will be executed in a workmanlike manner.

No modification of the plan and these particulars, or of the work described therein, will
be made unless the same is previously allowed by the City Engineer, and all work pertaining
to the proper plumbing and sewerage of the buildings and premises which is not covered by
the plan and these particulars, but is found necessary during the progress of the work in order
to carry into effect the true intent of the By-law and standard specification, shall be executed
in accordance with the directions of the said City Engineer aforesaid.

NOTE—Earthenware sewers are shown on the plan in red lines, and metal pipes
in blue lines.

Report and Recommendation of Inspector.

I report that I have examined the plans submitted with the foregoing application and find
the same to be in compliance with the requirements of By-law No. 242. I therefore recommend
that a permit be granted for the construction of the work.

Inspector of Sewers.
