He had been in failing health for some years. He started his service on the Coast in 1895 as night clerk aboard the old Charmer and worked his way up until he retired four years ago as senior purser of the B.C. Coast Service. LATE T. S. MacLAUGHLIN

BORN IN HALIFAX

Known affectionately to his many friends as "Tom," the late Mr. MacLaughlin was born in Halifax, Nova Scotia, August 18, 1865. He came west when a boy, his father being the late J. N. MacLaughlin, well-known pioneer educationist of Victoria and later Receiver-General in British Columbia for the federal government.

Mr. MacLaughlin's first ship was the Charmer, which was operated by the Canadian Pacific Navigation Company between Victoria and Vancouver. He later succeeded J. W. Moore as purser. The Charmer at that time was regarded as an imposing ship, being the only real passenger vessel plying between the island and the mainland.

Later he was purser of the historic side-wheeler Yosemite, running between Victoria and New Westminster and calling at numerous way ports in the Gulf Islands and on the Fraser River. He served the same route on those well-known old-timers, the R. P. Rithet and the Yosemite.

C.P.R. VETERAN PURSER RETIRES

T. S. McLaughlin Joined First Ship in 1895

Thomas S. MacLaughlin, senior purser of the C.P.R. Coast fleet and a veteran of navigation in these waters, has retired after 36 years of service. He was one of the few real old-timers remaining in the fleet who began service with the old Canadian Pacific Navigation Company.

Mr. MacLaughlin commenced his purser's career in 1895 on the Charmer and later served on the Yosemite, the R. P. Rithet and the Princess Louise, fine ships of their day.

After the C.P.R. bought out the Canadian Pacific Navigation Co. in 1900, Mr. MacLaughnin served in the company's shore service for a time and then went as purser to the Otter on the Victoria-New Westminster run. The next nine years were spent on the West Coast route and the following three on the Alaska run. In the 17 years from 1914 to the present he was

T. MACLAUGHLIN IS HONORED BY COAST PURSERS

Retired Veteran and Mrs. MacLaughlin Taken By Surprise By Former Colleagues

Honoring Thomas MacLaughlin, who retired from the position of senior purser with the B.C. Coast Service a few months ago, after serving out of Victoria for thirty-six years, a representative number of active pursers of the fleet gathered yesterday evening at the home of Mr. and Mrs. MacLaughlin on Clarence Street, James Bay. Nearly every "Princess" steamer on the Coast was represented at the gathering, which came as a complete surprise to the guests of honor.

J. H. Taylor, assistant to Capt. C. D. Nerourtsos, manager of the B.C. Coast Service, who was unable to be present, was in charge of arrangements and presented Mr. MacLaughnin with a handsome radio, which was installed and set in working order during the evening. Mrs. MacLaughlin received a leather handbag. Mr. Taylor referred to the esteem in which Mr. MacLaughlin had been held during his service with the Coast fleet. He was well liked and exceedingly popular and had always given his best to his duty and now, upon reaching the age of well-earned retirement, it was the wish of his co-workers over a period of many years to honor him and his wife in some small way. In making the presentation Mr. Taylor, on behalf of the assembled pursers and their wives, wished Mr. and Mrs. MacLaughlin every happiness and many years in which to enjoy their leisure.

In thanking his former colleagues on behalf of himself and Mrs. MacLaughlin, the retired veteran expressed his pleasure at being so remembered and honored. He was sorry to sever connection with the fine fleet with which he had been so happy during many years, but was managing to enjoy his retirement, he said.

Following the presentation an informal social hour was held.

Mr. MacLaughlin joined the service of the company in 1895 as night clerk on the old steamer Charmer and served on nearly every steamer of the fleet, finishing his duty as chief purser of the Ss. Princess Joan, one of the newest ships of the fleet. In September of last year . He was not well at that time, but his friends who honored him yesterday evening were delighted to find him much improved in health.

a native of Scotland, which he left in 1857. Before coming to Victoria in 1862, he spent the interval in Canada and North and South America, where he pursued his present line of business. Mr. James G. Mann is also from Scotland, whence he came here direct in the year 1862.

LEMON, GONASSON AND COMPANY.

This firm is composed of J. Lemon and Aaron and Benjamin Gonasson. The sash and door factory of this firm, which is, perhaps, the most improved in Victoria, started running in the latter part of February of the present year. The mill turns out sashes, doors, blinds, mouldings, mantels, rough and dressed lumber and turnings of all descriptions. Band-sawing, as also re-sawing or the splitting of thick lumber, are their specialties, and the firm carry a large stock on hand of glass, both plain and ornamental. They have a No. 1 kiln for drying lumber before manufacturing. The building occupies a space 50 x 100 feet, and is located on the wharf, where lumber can be shipped easily by boat, there being 300 feet of water frontage. The factory is two stories and a half in height, and is equipped with detached boiler, engine-house, etc. It is also equipped with the finest machinery, including the latest improved 12-inch sticker, a 7-inch four-sided sticker, also two double surface plating machines, a 36-inch re-saw, and the best sash and door machinery invented. The capacity is equal to any in the Province of British Columbia.

T. S. MCLAUGHLIN.

Mr. McLaughlin is one of the new-comers to Victoria, but has achieved a great success in carriage-building, of which he makes a specialty of light or heavy pleasure vehicles. He learned his trade in New York, and is a thorough mechanical draughtsman in all things appertaining to coach-building, having passed through and obtained a certificate in the Technical School for Carriage Draughtsmen and Mechanics, of New York City. He started in business in Victoria at Easter last; erected a building and plant at a cost of $15,000, and has since done much work, not only for private citizens but for the fire department of the city as well. He imports his stock for carriages from Toronto and the Eastern States, and at present employs four men, which number will very probably be increased in the near future.

R. T. WILLIAMS. 1890

Mr. Williams was born at Rochester, New York; is of English parentage; came to Victoria in 1859; spent his school days here, and after-bookbinding business in the Province of British Columbia, and includes the publishing of the British Columbia Directory, which dates from 1862 and takes in the whole of the province. The business includes, also, the making of rubber stamps. Mr. Williams owns his own building, which is four story and basement, and is a very attractive structure of stone and brick. He has invested $35,000 in building and plant, and the full space occupied by his own business is about 5,000 square feet. Mr. Williams has a natural gift for and has taken a great deal of pride in his business. He made the first stereotype, first electrotype, first lithograph, and first photo-engraving ever made in the province. Of late years he has invested heavily in real estate, and has, in consequence, become wealthy.

LEDINGHAM BROTHERS.

Messrs. W. J. and G. T. Ledingham, the founders of this firm, came, six years ago, from Toronto, where they served their apprenticeships, and by hard work have built up the present handsome business, which, initially, is the manufacture of wrought iron into any shape required, horseshoeing and general foundry work. To this they added that of carriage and wagon manufacturing, making a specialty of heavy road wagons and trucks, wood-work of all kinds and carriage and sign painting. The present building is a large one, situated on a valuable corner lot of their own, 60 x 120 feet, but the demands of their business are such as to necessitate, at once, the erection of a more commodious structure, and this they propose doing. A late innovation to their business is the importation from the McLaughlin Carriage Company of Oshawa, Ontario, of light and heavy double and single carriages. In all their undertakings they have been successful, and deservedly so, as they are both thoroughly familiar with their business, and their energy and thoroughness has brought them at all times increasing patronage.

VICTORIA MACHINERY DEPOT.

The Victoria Machinery Depot was originally established by Messrs. Spratt & Gray. Mr. Spratt, the founder of the Albion Iron Works, is now dead, and Messrs. Andrew Gray and A. K. Munro are the present proprietors. They are agents for the Jno. Doty Engine Co., of Toronto; Goldie & McCulloch, Galt; Penberthy Injector, the Duplex Die Stocks of the Hart Manufacturing Co., Leonard & Ellis Valvoline Oil, Magnolia Anti-friction Metal, Scotch Oak Tan Leather Belting, Dodge Wood Split Pulleys, Burnett's Impervious Lime Paint, and the Woodbury Oil Company, and
